Entry, participation and starting eligibility: According to the WKBSW, swimmers aged 13 and above may also take part in the Austrian National Championships. Swimmers of age group 13-16 may participate in a maximum of 6 individual events, younger swimmers are not allowed to participate.

Non-Austrian clubs declare with the submission of the entry form that they belong to a national member association of AQUA and that all registered athletes have the right to start for the club. A foreign start permit as specified by their national association must be presented on request.

General class: Born 2012 and older

Junior class: born 2007 and 2008 (AK 18/ 17)

By submitting the entry form, the entering clubs assure that the swimmers they have entered can prove that they are in good health and that the examination was not more than 12 months ago at the time of the entry deadline.

General regulations: The competitions will be held in accordance with the competition regulations of AQUA and OSV.

The starting positions of the swimmers in the preliminary and timed heats are determined by the best times according to the WKBSW of the OSV. In the final heats, the 10 fastest swimmers in the preliminary heats of each competition are eligible to take part. The starting places are set according to the WKBSW of the OSV.

In competitions in which preliminary heats are held, B final heats are held in addition to the final heats with the 10 fastest of the preliminary heats. The B final heats are held before the A final heats. A maximum of 3 non-Austrian participants can take part in each final heat. The three fastest athletes in the A-finals will receive medals if they achieve the required times.

One relay team per club is allowed to start in each competition.

The three fastest Austrian participants in the A final will receive medals if they achieve the compulsory times. The winner of the international classification receives an award.

The Austrian junior champions (f/m) will be determined in the preliminary heats and will receive medals if they achieve the mandatory times. The juniors will not be seeded separately.

If the compulsory times are not achieved in the last 18 months before the closing date for entries or during the competition, entries are not kept or a withdrawal from the final race is not announced within the cancellation period, a penalty will be imposed in accordance with the WKBSW.

Entries: Must be submitted in accordance with the WKBSW of the OSV (reference is made to the AWKB of the OSV). The entry times are automatically determined from the OSV online best list system. Only times recorded in a competition SC or LC within the last 18 months before the entry deadline will be taken into account. Austrian citizens who are members of a foreign club belonging to AQUA must submit their entry times within the above-mentioned period. If this is not done or if incorrect entry times are given, these entries will be rejected.

Closing date for entries: Wednesday, December 03, 2025, 8:00 p.m. incoming

Any entries received later will not be accepted without exception!

After the entry deadline, an entry confirmation will be sent out, which must be checked immediately and any errors must be reported to the entry address by Thursday, December 11, 8:00 pm. Corrections received later will not be considered without exception.

Registration address: Austrian Swimming Federation meldungen@schwimmverband.at

Entry fee:
per individual competition € 6,-
per relay competition € 11,00-

The entry fee must be paid immediately upon receipt of the invoice after the competition.

Repentance fee: According to the WKBSW of the OSV, in particular a penalty fee amounting to five times the entry fee will be levied if a swimmer fails to meet the compulsory time specified for the competition and cannot provide proof of a compulsory time on a 25m or 50m lane during the specified qualification period. The proof of compulsory time is determined from the OSV leaderboard system.

Notification of the club representative: When submitting the entry form, each club must provide the name of its official club representative for these championships.

Organizer: Austrian Swimming Federation

Organizer: LSV Graz

Doping control: We would like to point out that doping controls may be carried out during the event. The relevant regulations of the NADA (National Anti Doping Agency) must be observed.

Photo/film recordings: It is expressly pointed out that photos and film footage will be taken during the event by persons accredited by the OSV and that this will also be used in the media. The clubs declare their consent to the production and publication of photo and film material by submitting their entries.

The OSV assumes neither liability nor responsibility for recordings made and published by athletes, spectators and officials.
